Upon receipt of the required information, your application will be processed and a certificate will be issued to you. Please provide a copy of the certificate to your supervisor. Agencies accredited by the State of South Dakota Division of Community Behavioral Health are required by law to have Student Interns, Counselor Trainees, and Certified Counselors recognized or certified by this Board.

If for any reason your internship ends or is interrupted, please contact the CBADP Administrative Office immediately. The internship dates can then be changed if necessary. If your employment continues after the completion of this internship, you will be required to apply for Trainee Recognition status. Applicants listed on the State Registry will not be granted Student Intern Status, Trainee Recognition, Certification or Recertification until arrangements have been made with the Department of Social Services, Office of Child Support Enforcement and the individual's name has been cleared via monthly written reports from that office.

4. That I shall protect the unique confidentiality concerns, abide by 42 CFR 2, and state laws, within the parameters of supervision.
5. That I shall respect and guard confidences of trainees and restrict disclosure of information for professional purposes with regard for agency personnel policies and existing laws and regulations.
6. That I shall maintain those records necessary to provide an accurate assessment of the trainees' abilities and training needs and to record that supervision has been provided in accordance with the CBADP policies and procedures, and the administrative rules and laws of South Dakota. I shall limit my supervisory documentation or verification of information to that which was completed under my direct supervision.
7. That I shall alert the appropriate individuals and authorities to conditions that may be disruptive or damaging.
8. That I shall respect the dignity and protect the rights and welfare of participants in research. I shall maintain the federal and state laws and regulations, and professional standards governing the conduct of research.
9. That I shall disclose financial arrangements and any fee structure to trainees and agencies in such a way as to be reasonably understandable and in conformance with accepted professional practices.
10. That I shall accurately represent my professional education, training and qualifications to trainees and agencies to enable an informed selection of professional services.
11. That I shall have a commitment to maintain a professional level of knowledge and competence through ongoing education and training in clinical supervision.

I affirm, understand and will adhere to the preceding professional code of ethics and understand that any violation of the principles will be grounds for disciplinary action and sanctions in accordance with CBADP policies and procedures as outlined in the Standards Manual and the laws of the State of South Dakota.
